New on and off-campus opportunities are listed daily!

Advice for the fair:

- Maintain professional conduct, as if you are in interview mode the entire time. You never know when a recruiter may be observing you!
- SMILE! Employers notice how you carry yourself and your facial expressions say a lot about your personality.
- Stand out in a positive way by sharing a relevant memorable story in your elevator pitch.
- Ask questions! Employers love it when students ask questions; it shows that you have a sincere interest in the organization.
